LEADING OUR DISTRICT AND SCHOOLS TO A BRIGHT FUTURE

## Debbie Moon

**For Romoland School Board**

**YOU CAN TRUST DEBBIE TO LEAD OUR SCHOOL DISTRICT TO FULFILL ITS PROMISE OF AN EXCEPTIONAL HIGH QUALITY EDUCATION FOR EVERY ROMOLAND STUDENT.**

As a candidate for Romoland School District Governing Board Member for Trustee Area 5, I am running for this office to represent ALL stakeholders. First and foremost, students and parents, but in addition, all of those that are charged with contributing to the success of our students: Teachers, classified personnel, administrators, and managers. As a full-time Associate Professor of Dental Hygiene at Moreno Valley College, as well as the Dental Hygiene Program Director, I see first-hand

and understand the value of a quality K-12 education. Romoland School District owes our students the best well-rounded education we can provide to prepare them for high school success. My husband and I raised five wonderful children that have produced eight beautiful grandchildren to date. All of our children attended public schools, so I understand the value that a quality school district can provide in the raising of a child. My professional experience in public education, coupled with my 35+ years of experience raising children, has prepared me well for this position. I ask for your vote, but also for your collaboration and input about how we can all work together to provide the best education possible for our students.
